1976 — A VERY GOOD YEAR

RECORD WIN TOTAL: Phillies wound up the season with 13 victories in last 16 games to finish with a 101-61 record, their best record ever and the best record for an Eastern Division champion. The 1969 Mets were 100-62. . . Previous club high for wins was 92 in 1964. . . At Veterans Stadium, Phils finished 53-28, best home record for any N.L. club; on the road, 48-33, both new club records.

BEST START: Carrying 1-3 record into Wrigley Field on April 17, the Phillies rallied twice, down 12-1 and 13-2, to win, 18-16, in 10 innings, Schmidt hitting record-tying four consecutive homers, including a two-run game winner. Comeback tied N.L. record, most runs overcome to win a game. Club used victory that day as a springboard to a torrid pace the next couple months, winning 51 of next 69 games. In that stretch the club had two season-high 6-game winning streaks and three four-game win streaks.

FIRST FOREVER: Phillies took over first place for good with 10-3 win over LA at the Vet, May 9th, moving .039 pct. points ahead of the Mets.

MAY RECORD: Best month ever for Phillies, 22-5 record to cart a 30-11 record and .732 pct. into June, the best start in the N.L. since the 1955 Brooklyn Dodgers were 32-11, .744, on same date.

BIGGEST LEAD: Phillies beat Braves in Atlanta on August 25 to take a 15½ game lead. . . Starting August 27, the club lost eight straight; 16 of next 21 to see the lead cut to 3 games after September 17th defeat in Wrigley. . . Phillies turned it around to win seven of next nine games to clinch the division title in Montreal, 1st game, September 26. From September 18th to the end of the season, the Phils were 13-3.

ABOVE .500: Phils twice were 41 games above .500, 83-42 on August 26 and 82-41 on August 24.

BLITZ POWER: Phils batted around 31 times. Big innings 1 8-run; 9 6-run; 10 5-run and 32 4-run innings.

RAIN OUTS: Phillies had fewer rained out home games than either the Dodgers, Padres or Astros as the team didn't lose one game to the weatherman all year long.

2 MILLION MARK: Phillies set club attendance mark this year, becoming only the 10th team in baseball history to reach 2 million. Phils drew 2,480,150 to finish second in majors to Reds' 2,629,708.

SAME PITCHERS: From opening day until the usual September 1st recalls, the Phillies used the same 10-man pitching staff.

SQUAD CHANGES: Again, referring to the same playing time as above, the Phillies used a total of only 17 different "players." Tim Blackwell replaced Johnny Oates for seven weeks when the latter was sidelined with a broken left collarbone. Twice Dick Allen went on the DL with a sore right shoulder. Each time, Tony Taylor was activated from the DL.

BULLPEN EXCELLENCE: Five-man relief corps of Reed (6-7), McGraw (7-6), Garber (9-3), Schueler (1-0) and Twitchell (2-0) combined a 25-16 won-lost record and 40 saves. They pitched 396 relief innings, 316 H, 110 ER, 2.50 ERA. . . Phils were lone N.L. club to have three bullpenners in double figures in saves; Reed (14), McGraw and Garber (11 each). . . Reds and Phils ranked 1-2 in saves, 45-44.

TEAM PITCHING: Phillies staff ERA of 3.08 ranked 3rd in the league behind #1 Mets and #2 LA. . . Figure was lowest for Phils since a 3.07 mark in 1952. Prior to that year, the only other figure lower, 2.46 back in 1917.

TEAM OFFENSE: Phillies finished second to Reds in average, runs, hits, doubles and tied with Pirates in homers. . . .272 average was Phils best since .273 back in 1937.

R. R. M. (RULY) CARPENTER III

R. R. M. (Ruly) Carpenter III became President of the Philadelphia Phillies on Nov. 22, 1972, succeeding his father, R. R. M. (Bob) Carpenter Jr., who stepped up to Chairman of the Board.

At the time, Ruly was 32 years of age. It made him the youngest club president in the big leagues. Similarly, Bob Carpenter was the youngest president in the majors (28) when the Phillies were purchased from William Cox, Nov. 23, 1943, by Bob's father.

Ruly played three years of varsity baseball and football at Yale University, from which he graduated in 1962 with a B.S. Degree in American Studies. In football, he was a two-way end on the 1960 undefeated Yale team. He captained the baseball team his senior year.

Following graduation, Ruly served as assistant baseball coach at the University of Delaware while taking business administration courses there.

Before Yale, Ruly lettered in football, baseball and basketball at Tower Hill School in Wilmington, Del. He graduated from Tower Hill in 1958.

Ruly began working in the Phillies front office in 1963. He spent two years in the accounting department before moving on to the minor league system where he worked under Paul Owens and Dallas Green. He was the club's secretary and assistant treasurer at the time he assumed the President's duties.

Ruly, born June 10, 1940, is married to the former Stephanie Conklin. They have three children, sons Bobby and David and a daughter, Lucinda. The Carpenters reside in Montchanin, Del.

WILLIAM Y. GILES

Baseball has been the entire life of William Yale Giles, the Philadelphia Phillies Executive Vice President.

Born in Rochester, N.Y. on September 7, 1934, Bill moved to Cincinnati as a boy when his father, Warren C. Giles, became General Manager of the Reds. While attending high school and Denison University, Bill worked in the Reds' front office during the summer months for Gabe Paul, who succeeded Warren Giles as general manager. Bill graduated from Denison in 1956 with a B.A. degree and major in economics.

Following a three-year stint in the Air Force, he joined Gabe Paul as his administrative assistant in the Reds' front office. In 1960, Bill was Business Manager of the Reds' Nashville farm team in the Southern Association. The younger Giles joined Paul again in November, 1960, after Paul went on to the new Houston franchise as general manager. Bill assumed duties as the administrative assistant. During his nine-year career with Houston, Bill handled the combined role of Traveling Secretary and Publicity Director; then Director of Public Relations and Promotions in 1964 and Vice President in 1967.

Bill Giles joined the Phillies organization on October 10, 1969, as Vice President, Business Operations, as the Phillies prepared to move into Veterans Stadium. By the time he had reached age 37, Bill had been through the building and opening of the fabled Astrodome and beautiful Veterans Stadium.

More than three years after joining the Phils, he was named Executive Vice President, thus becoming the chief administrative officer of the club, filling in for ownership in its absence. He also is the club's chief representative in community affairs, plus sales, promotions, stadium operations, public relations, tickets, merchandising, radio and television, scheduling and cancellation and postponement of games.

Bill, his wife, Nancy Kirwin, whom he married in 1954, and three sons, Michael (6-2-59), Joseph (5-11-62) and Christopher (9-27-65) live in Gladwyne, Pa.

PAUL OWENS

Much credit for the success of the 1976 Phillies rests on the shoulders of 6-4 Paul Owens, the Director of Player Personnel for the ball club.

Taking over the reins as the General Manager from John Quinn on June 3, 1972, Owens began to build the best team in the history of National League baseball in Philadelphia. Owens took a sixth place team in 1972. Four years later, "his" team won the Eastern Division title, the first pennant in Philadelphia in 26 years.

Paul Francis Owens, 53 (2/7/24 birthdate), has been through every phase of the development level in his climb to being the top executive of the playing end of the Phillies. In his career, he's been a minor league player, player-manager, manager, scout, director of the farm system, director of player personnel and even a big league manager.

"The Pope", as he is known by his many friends, began his professional career as a first baseman in the St. Louis Cardinals chain back in 1951. He was playing for Olean, N.Y., and won the Pony League batting championship with a hefty .407. He also played in 1952 before staying out of professional ball for the 1953 and 1954 seasons.

Owens returned in 1955, as the playing-manager of the Olean club. He was the skipper there for three seasons (winning two more batting titles, .368 in 1956 and .407 in 1957) before concluding his minor league managing career with Bakersfield in 1958 and 1959.

His scouting career started in 1959, moving from his native New York to the west coast. Owens' territory included southern California, Arizona, New Mexico, western Colorado and southern Nevada.

On May 22, 1965, he was promoted to the head of the Phillies minor league system, a position he held until he succeeded Quinn. Then, on July 10, 1972, he replaced Frank Lucchesi as the Phillies manager, finishing the season with a 33-47 record.

A 1942 graduate of Salamanca (NY) High School, Owens spent three years in the service, two years in Europe during WW II as a sergeant in a U.S. Army engineering company. While in the service, he met Marcelle Leclercq. They were married in Liege, Belgium, on Feb. 23, 1946.

After returning to the states, he enrolled at St. Bonaventure University, graduating with a B.S. Degree in Physical Education in 1951. During the off-season of his early baseball career, he taught physical education and coached football, basketball and baseball at his high school in his native Salamanca, N.Y.

Was inducted into the St. Bonaventure Hall of Fame, Feb. 12, 1977.

Paul and Marcelle, who reside in Sewell, N.J., are the parents of two sons, Danny 26 and Pat, 27. They also have two granddaughters, Paulette (4/14/74) and Caroline Paige (6/14/76).

G. THEODORE HARRISON

G. Theodore (Ted) Harrison came to the Phillies with a perfect background for dealing with the day-to-day financial problems of a major league sports team.

His father, George F. H. Harrison, Vice President and Director of Finance, is the senior member of the Phillies Executive Staff, having been with the ballclub since December, 1946.

Ted Harrison received a B.S. in Accounting from Lehigh University in 1961 before serving as a Lt. j.g. in the United States Navy Supply Corps.

Harrison was a C.P.A. with Arthur Andersen and Company of Phila. for two years before joining the Phillies as Controller in February, 1968. He was promoted to Secretary-Treasurer in January, 1973.

Born October 5, 1939, in Camden, N.J., he attended Haddonfield Memorial High School and graduated in 1957. Ted is married to the former Barbara Baumner; they have four children, David, Matthew, Mark and Stephanie.

The Harrisons reside at Barclay Farms in Cherry Hill, N.J.

DALLAS GREEN

Dallas Green was elevated from assistant farm director to Director of Minor Leagues and Scouting when Paul Owens became general manager, June 2, 1972.

A pitcher, coach and manager in the Phillies organization, Green moved into the front office as Owens' assistant on Nov. 19, 1969, after two years as a minor league manager. Green last saw active duty as a pitcher with the Phillies in 1967.

Green first managed at Huron, S.D., in 1968, finishing fifth in the Northern League. The next year he managed Pulaski, Va. to the Appalachian League championship.

Signed professionally after his junior year at the University of Delaware, Green broke into pro ball with Reidsville of the Carolina League. He spent four full seasons with the Phillies and also pitched briefly for the New York Mets and Washington Senators. His career record for 185 games is 20—22.

Dallas was born in Newport, Del., (8-4-34) a suburb of Wilmington. He graduated from Conrad High School in 1952, playing baseball, basketball, football and track. He married the former Sylvia Taylor on Jan. 31, 1958. They have four children, Dana, John, Kimberly, and Douglas, and reside in West Grove PA.

GEORGE F. H. HARRISON

George F. H. Harrison, Vice President and Director of Finance, is the senior member of the Phillies executive staff, having been with the ball club since December, 1946.

Harrison came to the Phillies as controller following 15 years as a Certified Public Accountant with the public accounting firm of Coopers and Lybrand, formerly Lybrand, Ross Bros. and Montgomery. Two years later, he was elevated to Treasurer. In 1966, Harrison was named Executive Vice President in addition to his Treasurer title and elected to the Board of Directors of the Phillies.

With the minor reorganization and classification of the executive titles and duties in January 1973, Harrison became Vice President and Director of Finance, continuing his director's duties of the Board.

Born in Philadelphia on July 17, 1912, Harrison graduated from Pottstown High School in 1929 and Pierce College in 1931.

He is married to the former Dorothy Krise. They reside in Haddonfield, N.J. and are the parents of two children. Mrs. Patricia Vranesza of Vienna, Va., and G. Theodore Harrison, of Cherry Hill, N.J., who is presently Secretary-Treasurer of the Phillies.

VETERANS STADIUM GROUND RULES

Dugouts—Ball has to actually enter dugout area or hit the yellow bars or yellow line to be considered out of play. Ball entering open area above end of dugout inside yellow line is considered OUT OF PLAY.

Foul poles are outside playing area and balls hitting them are to be considered HOME RUN.

Fences—Glass areas have openings at top. If ball sticks in opening it is a GROUND RULE DOUBLE.

In left and right field the stands protrude to a point near the foul lines. If ball lands in fair territory and bounces over the points and lands in the playing area, it is to be considered to be in the stands and ruled a GROUND RULE DOUBLE.

Ball off screen behind home plate is IN PLAY.

PHILLIES HISTORY

The first game in National League history was played in Philadelphia in 1876, the Philadelphia Athletics facing Boston on April 22 at 25th and Jefferson Streets. The Philadelphia entry, however, didn't last the season and so the Quaker City was without representation in the National League until 1883. Alfred J. Reach purchased the Worcester, Mass., club and moved it to Philadelphia, adopting "Phillies" as the official team name, a takeoff on Philadelphia or Philly.

The Phillies' initial game was a 4—3 loss to the Providence Grays, before 1,200 at Recreation Park, 23rd Street and Ridge Pike. Bob Ferguson managed the Phils in that first game, May 1, 1883.

In 1887, the Phillies moved into a new "magnificent park" at Broad and Huntingdon Streets, which was later to become known as Baker Bowl (capacity 15,000). An estimated 20,000 jammed the park for the first game on April 30 and saw the Phillies maul the New York Giants, 19—10.

One of baseball's biggest disasters struck the Phillies in 1903. Twelve persons were killed and 232 injured when the left field bleachers collapsed after fans had climbed to the top row to get a better view of a near-by fire.

The Phillies' owner in 1910, Horace Fogel, started a personal campaign with the press to change the name of his club. "The name Phillies is too trite and Quakers (as they were sometimes called) stands for peaceful people who will dodge a fight. We're not going to be that way. We're going to fight. Why don't you fellas call the club the 'Live Wires,'" Fogel pleaded of the press. His efforts went for naught.

Baker Bowl, which had a short right-field line (280 feet) and a rather deep left field (341) became the site of the World Series in 1915 as the Phillies won their first league title. The Boston Red Sox, however, took the World Series, four games to one.

In 1927, the Baker Bowl wooden bleachers again gave way and the Phillies, through the graces of Philadelphia Athletics' owner John Shibe, were invited to play at Shibe Park until the necessary repairs could be made. "I remember our first game in Shibe Park very well," recalled the late owner Gerry Nugent. "It was the day Lindbergh arrived in Paris."

Back to Baker Bowl went the Phillies, who played the first Sunday baseball game in Philadelphia there in 1934, losing to Brooklyn, 8—7.

The Phillies moved permanently to Shibe Park on July 4, 1938 after 51 years at Baker Bowl. The Phils lost the first game to Boston, 10—8, but came back behind the pitching of Claude Passeau to win the nightcap, 10—2.

Late in 1943, the Phillies were sold to R.R.M. Carpenter, Jr., current owner. Between Reach and Carpenter, nine others owned the club. To stimulate interest in the club, a contest was conducted to find a nickname for the Phillies. For 1944 and 1945, the club was known as the Blue Jays, although they still maintained the official "Phillies" title.

Seven years after Carpenter took over, the Phillies rose to become National League champions, second time in club history. Again, the World Series crown eluded them, as the New York Yankees swept the series, 4—0.

Bob Carpenter, after 29 years as the club president, moved up to Chairman of the Board on Nov. 22, 1972. He was succeeded by his son, Rully Carpenter, as president.

After 32½ seasons in Shibe Park-Connie Mack Stadium in which the Phillies won 1,195 and lost 1,328, the club moved into the spectacular new Veterans Stadium for the 1971 season.

The Philadelphia Athletics won the first game at Shibe Park, 8—1, over Boston on April 12, 1909. The Phillies won the park's finale, 2—1 over Montreal on Oct. 1, 1970, a 10-inning battle.

In the first game played in the 56,731 seat Veterans Stadium, the Phillies defeated the Montreal Expos 4—1 on April 10, 1971.

RULES OF INTEREST

- PLAYER LIMITS:** 40 until opening day, when the number must be reduced to 25 until September 1, when it again becomes 40.
- DETERMINING BATTING AVERAGE:** Divide the number of at bats into the number of hits.
- DETERMINING AN EARNED RUN AVERAGE:** Multiply the number of earned runs by nine; take the number and divide it by the number of innings pitched.
- DETERMINING SLUGGING PERCENTAGE:** Divide the total bases of all safe hits by the total times at bat (At bats do not include walks, sacrifices, hit by pitcher, or times awarded first base because of interference or obstruction).
- DETERMINING FIELDING AVERAGE:** Divide the total putouts and assists by the total of putouts, assists and errors.
- DETERMINING PERCENTAGE OF GAMES WON AND LOST:** Divide the number of games won by the total games won and lost.
- CONSECUTIVE HITTING STREAKS:** A consecutive hitting streak shall not be terminated if the plate appearance results in a base on balls, hit batsman, defensive interference or a sacrifice bunt. A sacrifice fly shall terminate the streak.
- CONSECUTIVE-GAME HITTING STREAKS:** A consecutive-game hitting streak shall not be terminated if all the player's plate appearances (one or more) result in a base on balls, hit batsman, defensive interference or a sacrifice bunt. The streak shall terminate if the player has a sacrifice fly and no hit.
- CONSECUTIVE-GAME PLAYING STREAK:** A consecutive-game playing streak shall be extended if the player plays one half-inning on defense, or if he completes a time at bat by reaching base or being put out. A pinch-running appearance only shall not extend the streak. If a player is ejected from a game by an umpire before he can comply with the requirements of this rule, his streak shall continue.
- SUSPENDED GAMES:** For the purpose of this rule, all performances in the completion of a suspended game shall be considered as occurring on the original date of the game.
- TRADING REGULATIONS:** Players are available on waivers in reverse order of standings, at the time waivers expire, if more than 30 days after start of the season; otherwise in reverse order of standings at close of preceding season.
- INTER-LEAGUE TRADES:** Midnight, five days after the World Series—Midnight, night preceding the last scheduled day of the Winter Meetings—No waivers are necessary. Plus Feb. 15 to Mar. 15 in spring training 1977.
- TRADING WITHIN LEAGUE:** Midnight, the last day of the season—Midnight, June 15—No waivers necessary. Midnight, June 15—Midnight, the last day of the season—League waivers necessary.
- DETERMINING the MAGIC NUMBER:** Determine the number of games yet to be played, add one, then subtract the number of games ahead in the loss column of the standings from the closest opponent.
- GAME WINNING RBI:** The run that gives your team a higher final total than your opponent.
- DOCTORED BAT:** If a filled or "doctored" bat is used, the player is to be ejected from the game and suspended three days. Any balls hit by an illegal bat do not count. If the umpire sees the illegal bat before it is used, he issues a warning, but there is no penalty.
- DETERMINING A "MAJOR LEAGUE YEAR":** 172 days constitute a full year in the major leagues.
